# The university grading system in Italy

The Italian university grading system for exams is based on a 30-point scale (18 and above is considered passing). A 110-point scale is used to grade the final dissertation (66 is the minimum grade necessary to graduate).

The *Cum Laude* is equivalent to the mention “with honours” and is assigned to praise outstanding students for each exam and/or upon completion of their university degree.

## Attendance of lessons

Students do not have to enroll for courses to attend lectures. Once lessons begin, just go to the lecture hall and attend the lesson.

*It's a good idea to get to the lesson on time as some classes fill up fast*

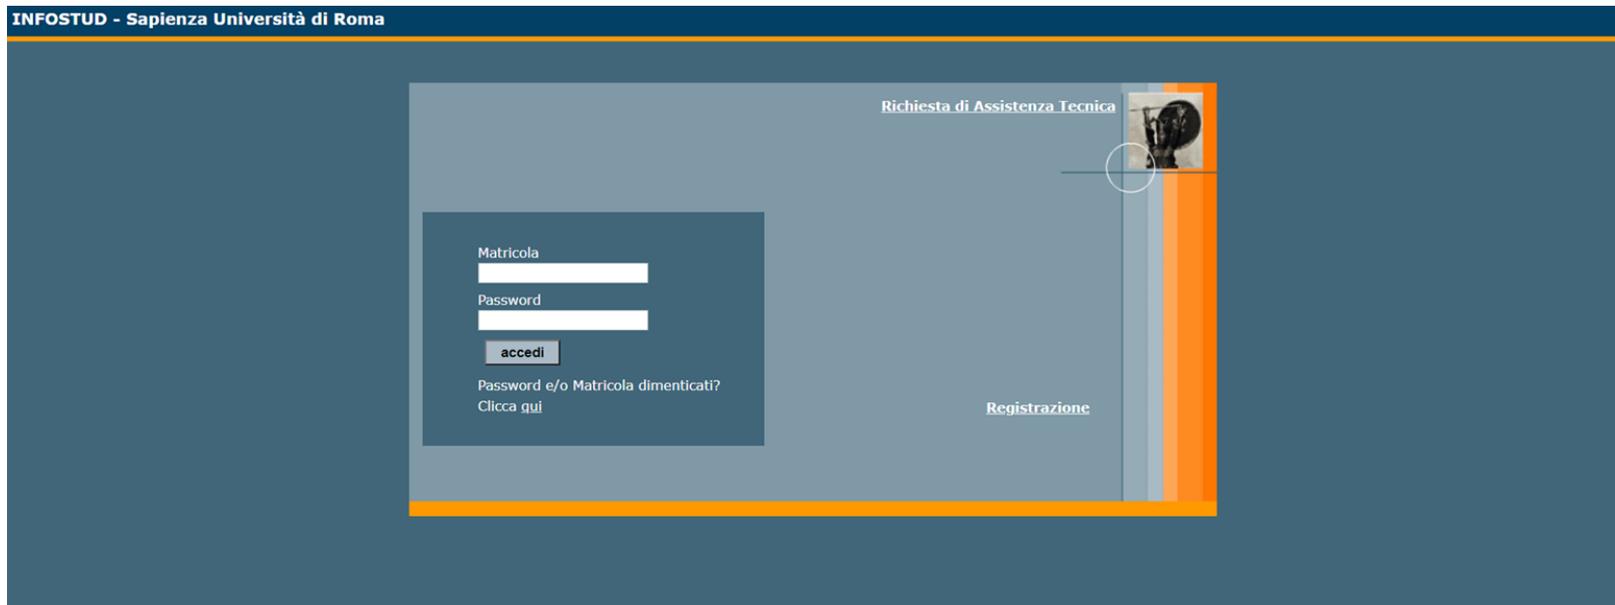

Attendance is usually not mandatory (**but highly suggested in any case**)

Some Professors may ask you to sign an attendance sheet to keep track of the students who attend lessons regularly. Moreover, the course load may vary slightly depending on whether or not you attend the lessons. Some professors may ask students who do not attend lessons to integrate their course work with an extra or a different textbook to balance the workload for all students. Textbook requirements and related information for each course are listed on each Professor personal page.

# INFOSTUD - Student Information System

InfoStud is an IT tool adopted by Sapienza, created for students in order to simplify a wide range of operations related to their status.

Through it, in fact, it becomes possible to enroll, book exams, monitor the verbalizations of the marks, print certificates and view your career.

# INFOSTUD - Student Information System

INFOSTUD 2.0 is accessible from the “STUDENTS” section of the Sapienza website.

The screenshot shows the Sapienza University website. At the top left is the Sapienza logo and the text 'SAPIENZA UNIVERSITÀ DI ROMA'. To the right are navigation links: 'STUDENTI', 'LAUREATI', 'TERRITORIO', and 'CONTATTI'. Further right is a search bar with the text 'cerca nel sito', a magnifying glass icon, a user icon, and a dropdown menu with 'IT'. Below the navigation is a breadcrumb trail: 'Home / Studenti'. The main content area is split into two columns. The left column features a large image of a smiling male and female student. Below the image is the word 'Studenti' in white text on a dark red background. Below that is a search bar with the text 'cerca il tuo corso' and a magnifying glass icon. The right column features a smaller image of a classical sculpture. Below the image is a dark red banner with white text: 'Musica, Teatro, Sport, Musei, Radio Caffè, Sapienza, Spiritualità'. Below the banner is the heading 'INFOSTUD 2.0 LOGIN'. Underneath are two input fields: 'Matricola' and 'Password'. At the bottom right of the login section are three buttons: 'Registrati', 'Entra con SPID' (with a SPID icon), and 'ACCEDI'. Below the 'Registrati' button is the text 'Password dimenticata?'.

# INFOSTUD - Student Information System

Once you are logged in, click on “Bachelors and Masters Degree Programmes”

The screenshot shows the INFOSTUD SAPIENZA interface. At the top, there is a dark red header with the university logo and name. Below the header, a navigation bar contains several menu items: 'PANELS +', 'CERTIFICATES +', 'SEARCH EXAM DATES', 'BOOKED EXAMS', 'REGISTERED EXAMS', and 'STATISTICS'. The main content area features eight colored buttons arranged in a 2x4 grid. The first button, 'BACHELORS AND MASTERS DEGREE PROGRAMMES', is highlighted with a yellow arrow. The other buttons are: 'PhD PROGRAMMES', 'POSTGRADUATE SPECIALISATION PROGRAMMES', 'PROFESSIONAL MASTERS COURSES', 'ADVANCED STUDY COURSES', 'TIROCINI FORMATIVI ATTIVI', 'STATE EXAMINATIONS', and '24 CFU'.

# INFOSTUD - Student Information System

**As an Erasmus student, you can only use the system to enroll for exams: InfoStud is not needed to subscribe to courses. You will not see any official career connected with your profile, because you are an exchange student.**

Professors publish the exam dates a couple of months before the exam session starts.

In order to take exams, you must book on-line via the InfoStud student portal. You can book an exam from one month to one week before the exam date.

**Most exams are oral, although some may also have a written part.**

**Your Professor will provide further information on this.**

The left sidebar contains various menu items like 'Torna alla home', 'CORSI DI LAUREA', 'ACCESSO AI CORSI', 'ORIENTAMENTO IN RETE', 'CORSI SINGOLI', 'TASSE', and 'ESAMI'. The main content area is titled 'RICERCA APPELLI' and shows a search result for 'APPELLI TROVATI' with a count of 16. Below this, there is a search filter section with a search box containing 'lenzerini' and a 'CERCA' button. The search results are displayed in a table with columns: N° Verbale, Corso di studi, Insegnamento, Docente, Crediti, Facoltà, a.s., Data appello, Inizio prenotazione, Fine prenotazione, and buttons for 'prenota' and 'note'.
