

COST ACTION IC0902 MC MEETING AND 4TH WORKSHOP ROME, OCTOBER 9 - 11, 2013

SAPIENZA
UNIVERSITÀ DI ROMA

COST Action IC0902 (<http://newyork.ing.uniroma1.it/IC0902>) proposes coordinated research in the field of **cognitive radio and networks**. Its main objective is to integrate the cognitive concept across all layers of a communication network, resulting in the definition of a European platform for cognitive radio and networks.

When: October 9-11, 2013. **Where:** “Sala del Chiostro” room (“Lauree A” in the map below) in the Cloister of San Pietro in Vincoli, Faculty of Engineering of Sapienza University of Rome, in Via Eudossiana 18, 00184, Rome, Italy.
